

NOTICE OF SPECIAL MEETING AND CDBG PUBLIC HEARING

The Apalachicola City Commission will conduct a special meeting with a public hearing to obtain comments on the modification to CDBG grant 19DB-ON-02-29-02-N18, sewer manhole replacement/rehabilitation project on the west side of the City. The original grant proposed replacement of 5 sewer manholes, which was achieved, but the proposed manhole rehabilitation was reduced from 20 to 12 manholes. Construction bid prices exceeded the project budget, forcing the reduction of the project scope. The grant closeout budget will also be adjusted.

The public hearing will be held during a special city commission meeting, which begins at 5:00 p.m. on January 19, 2021, at the Community Center, 1 Bay Avenue, Apalachicola. Questions regarding the meetings should be directed to Travis Wade, City Manager. Any person wishing to attend and requiring an interpreter or special accommodations should contact the City Clerk's Office at (850) 653-9319 (or call 711 for the Florida Relay Service for hearing impaired TTY/TDD) at least two business days prior to the meeting. Face masks and social distancing are required, and seating will be limited and on a first come, first seated basis. However, the meeting will be live streamed and can be accessed via a link on the City website.
