## D. Computations

The following principles shall control the computation of sign area and sign height.

### 1. Computation of sign area:

The area of a sign shall be computed by means of the smallest rectilinear figure (but which shall have a continuous perimeter of not more than eight straight lines) which encompasses all lettering, wording, frame, design or symbols, together with any background and any illuminated part of the sign on which the sign is located, if such background or such illuminated part of the sign is designed as an integral part of and related to the sign. Support and bracing which are not intended as part of the sign and which contain no message, shall be excluded. In the case of a multi-faced sign, the area of the sign shall be considered to include all faces visible from one direction, the area shall be considered to include all lettering, wording and accompanying designs or symbols together with any background of different color than the natural of the building.

### 2. Computation of Height:

The height of the sign shall be computed as the distance from the ground directly below the center of the sign or from the grade of the closest point in the traveled way of the road or street the sign is located along, whichever is higher, to the sign or sign structures highest point.

## E. Permitting

Except as specifically exempted or prohibited in this section, all signs, constructed or modified shall require a permit in accordance with the provisions of this Article.

## F. Exempt Signs

The following signs are exempt from the application of these sign regulations and from the requirements in this Article that a permit be obtained for the erection of permanent signs, provided they are not placed within the right of way of any road or constructed as to create a hazard of any kind.

2. In addition to the above maximum total signage allowances, each business with an off street entrance may have one non-illuminated, attached directory sign per occupancy, not to exceed three square feet.

All free standing signs shall be setback from the property line such that there is at every intersection a clear view between heights of three to ten feet in a triangle formed by the corner and points of the curb thirty feet from the intersection or entranceway.

#### O. Projecting Signs

1. Such signs shall be hung at a ninety-degree angle from the building face.
2. Each sign face shall not exceed eight square feet of sign area.
3. The bottom of said sign shall allow an eight foot pedestrian clearance from sidewalk level.
4. The top of the sign may be suspended no higher than the bottom of the sills of the first level of windows above the first story in a multi-story building.

#### P. Nonconforming Permanent Signs

Subject to the following conditions, all permanent signs made nonconforming by the passage of this Article or by any subsequent amendment, may be continued in operation and maintained. Such signs shall not be:

1. Replaced with another nonconforming sign.
2. Enlarged, extended, constructed, reconstructed, moved or structurally altered except to bring the sign into conformance with all provisions of this Article.
3. Re-established after damage or destruction if such damage to the sign exceeds fifty percent of its total surface area. The extent of the damage shall be determined by the Building Inspector.
4. Re-established after it has been removed or has been abandoned for sixty days or more.

Any change in use shall require the sign be brought into conformance.

#### Q. Nonconforming portable, temporary or wind signs.

All portable, temporary or wind signs which are made nonconforming as a result of the passage of this article, or from the passage of any subsequent amendment to this Article, shall be removed within sixty days of the effective date of this Ordinance.

#### R. Permitting

No sign except those listed in Section F and Section G shall be constructed, erected or modified without a compliance and building code review by the Building Inspector. The Building Inspector shall issue a permit only for a proposed sign that meets the requirements of this Ordinance.

## S. Sign Permit Applications

Sign permit application forms shall be obtained from the Building Inspector. Each application shall be accompanied by the following information:

1. Name of business and address where work is to be performed.
2. Name and title of applicant.
3. Name, address and telephone number of the firm doing installation work.
4. Name and address of the sign owner if other than business installing sign.
5. A complete list describing each existing sign on the premises, including sign type, copy, sign area, location on premises and date installed.
6. A site plan showing the location of the affected lot, buildings and signs showing both existing and proposed signs.
7. A scale drawing of each proposed sign or sign revision, including location, size, height, copy, structural and footing details, material, method of attachment, illumination, front and end views of canopies and any other information required to ensure compliance with appropriate laws.
8. Written consent of the owner of the building, structure, or property where the sign is to be erected.
9. Owner must provide, to the Code Enforcement Officer, photographs of completed sign placement on premises within 30 days of issuance of permit.

Each applicant for a sign permit shall, upon request of the Enforcement Officer, submit any additional information deemed necessary.

## T. Appeal

Any aggrieved person may appeal the decision of the Enforcement Officer by filing a written request for appeal to the City Board of Adjustment within fifteen days of notification of inspectors' decision.

## U. Interpretations

Where there is any dispute concerning the interpretation of this Article, the decision of the Enforcement Officer shall prevail, subject to appeal to the Board as provided above.

## V. Enforcement and Penalties

This Article shall be administered and enforced by the City Enforcement Officer or their designee.

The Enforcement Officer or designee may issue a citation for violation of this Article by any person, including, if applicable, the owner, manager or tenant of the lot on which a sign is located; for a sign erected, altered, maintained, converted, or used in violation of this Article; or in violation of any other applicable ordinance, including but not limited to, building and electrical codes.

Any person who shall violate any of the provisions of this Article or fail to comply with any of its requirements shall be subject to fines not to exceed \$500.00 per day.

Every violation of this Article shall constitute a misdemeanor and be punishable as such, but nothing herein contained shall prevent the City of Apalachicola from taking such other action as is necessary to prevent or remedy any violation.

The Enforcement Officer or designee may remove any sign or structure illegally placed upon a public right of way without any notice and may dispose of said sign or structure at owners' expense. Such removal and disposal of illegally placed signs shall not preclude the prosecution of any person for illegally placing such signs in the public right of way.

#### W. Removal of Signs

- a. Abandoned signs shall be removed by the owner or lessee of the premises upon which the sign is located within sixty days after the business or services advertised by the sign is no longer conducted on the premises.
- b. The Enforcement Officer may order the removal of any sign erected, installed or allowed to remain in violation of this Article. He/she shall give at least thirty days notice in writing, to the owner of such sign or of the building, structure or premises on which the sign is located to remove the sign or to bring it into compliance with this Article. The Enforcement Officer may order the removal of the sign at the expense of the owner of the premises if compliance with the written order is not obtained. Notice to the owner shall be deemed to be given as of the date of deposit in US Certified mail addressed to the address of record that date at the office of the Franklin County Property Appraisers Office or the City of Apalachicola Water and Sewer Department.

#### SECTION II

All ordinances or parts of ordinances in conflict herewith, to the extent of such conflict are hereby repealed.

#### SECTION III

This ordinance shall become effective upon affirmative vote of the majority of the City Commission and when signed by the Mayor and attested to by the City Administrator.
