PLEASE NOTE:

1. If the proposed development is located within the City's Historic District; a Certificate of Appropriateness from the City's Planning & Zoning Board and Architectural Review Committee is necessary before any permitting can take place.
2. Required site plan elements and the Development Order/Certificate of Appropriateness applications are due 10 BUSINESS DAYS prior to the scheduled monthly meeting (second Monday of each month) of the Planning & Zoning Board.
3. Residential site plan approvals are valid for one year after issuance. If a building permit is not obtained within a year after receiving P&Z approval, the applicant must re-apply and receive P&Z approval again. (Commercial site plan approvals are valid for two years.)
4. After you have received your Planning & Zoning Approval and/or Certificate of Appropriateness, whichever applies, take all development documents to the Building Department at 192 Coach Wagoner Blvd, Apalachicola to apply for your building permit. A P&Z Development Order Application is not a building permit application – there will be building permit forms to fill out. Building permit issuance and all inspections will be coordinated with the Building Department Clerk. Please be advised that additional documentation may be required by the Building Clerk or Building Official. Please email buildingdept@cityofapalachicola.com or call City Hall at (850)653-7592 with any permitting questions.
5. Land Development regulations can be found on the City of Apalachicola website @ www.cityofapalachicola.com.
6. Please note that if any shrubs are planted or any materials (concrete, gravel, etc.) are placed in the City Right of Way that there is a possibility of removal at no expense to the City.

It is our intent to save you time any money in your plan preparation! The City of Apalachicola Planning & Zoning Board is a seven-member citizen board that also sits as the City's Architectural Review Board. Our responsibilities include protecting the historical character of the City. By working with the Planning & Zoning Board to obtain a Certificate of Appropriateness, your development will not only proceed more smoothly, but will also enhance the City's architectural integrity and historical character of Apalachicola.
