Project Name: Repair/Restoration of Middlebrook (former City Hall) Building

Project No.: ITN 2024-01

Please note the following clarification regarding the above referenced project.

Miscellaneous Clarifications

The City expects to contract with one contractor to complete the restoration work. That contractor may work with other subcontractors for specific portions of the project if applicable. There is not a specific list of contractors from which the City will make a selection. All eligible contractors that meet the qualifications are invited to submit.

Plans for this project phase are not yet available.

Please also note that this addendum and any others that may be issued must be acknowledged on the Proposal Form included in the ITN.
